KELLY MC GUIRE

From years of experience with many different type of events Kelly is able to read the crowd and provide the right musical ambience at the right volume level.

During cocktail hour- light instrumental jazz with a Latin/Tropical flavor is usually the appropriate music.

Kelly is most requested for his Tropical flavored shows featuring award-winning songs he wrote & recorded on his three CDs plus a mixture of favorite Jimmy Buffett songs and other fun Texas-Caribbean style music. Especially from his third CD "Boat In Belize". Songs such as, "Turn Around & Run", "Redfish Island" & "Blame It On Buffett", are regularly played on Radio Stations across the country such as Jimmy Buffett's "Radio Margaritaville" on Sirius Satellite Radio.

If you like Boats, Buffett, Beaches, Islands, Sailing, Diving, Fishing... You'll become a fan of his music & CDs. Over 20,000 of Kelly's CDs have been sold since 1999!

CDs are also available to purchase in bulk at a surprisingly low price as a very special gift to your guests/clients and can even be provided with your name and event on an attached sticker.

Whether styled for dancing OR dinner & listening. Kelly & the Band can easily adapt to the occasion either as background music OR as the Show Headliner engaging the audience.
